

2023-24 Season

Half-Ice and Cross-Ice Mite Program

Birth Years 2015 and younger

Questions?: vfcassist@yahoo.com

Half Ice players will typically have a formal Mite playing experience. Our programs primary focus is on fun, skill development, unselfish team play and sportsmanship. Strong skating skills are the foundation of our youth hockey program. Each weekday practice will have dedicated time to skating fundamentals under the direction of our professional skating coaches. They target number of players per team is 10-12. All players and families will have a great opportunity to socialized and build new and lasting friendships well beyond their days at the rink. To play the game of hockey is great but to learn to love the game of hockey is our goal.

Evaluations Sessions: Evaluation fees \$50 – 2 days of skating and skills

- Preliminary evaluation of all players for summer practice groups. Please come to both sessions.
